

Jasmine Guha-Castle

We are sad to announce that on Monday, April 27, 2020, Jasmine Guha-Castle lost her long running battle against cancer. Jasmine grew up in Oxford, England, which is also where she met her husband, George. They moved to Austin several years ago. Jasmine and her daughter, Soraya, attended Texas Camp many times. Soraya also accompanied Jasmine to folk dancing at Hancock Recreation Center.

In addition to dancing, Jasmine enjoyed swimming at Barton Springs, walking dogs at animal shelters, and volunteering for the Miracle Foundation. She served as AIFD secretary twice and often was the assistant DJ at AIFD. Jasmine had a warm heart for dogs and other animals, always having at least two at home. If you would like to make a donation in Jasmine's memory, please consider organizations that care for animals.
